FOR IMMEDIATE RELEASE

**CHF SOLUTIONS AWARDED PREMIER PURCHASING
PARTNERS AGREEMENT**

**Company's Aquapheresis™ Therapy System Now Available to the 2,000 Hospitals and
53,000-Plus Other Healthcare Sites of the Premier Healthcare Alliance**

BROOKLYN PARK, MINN. – November 11, 2008 – CHF Solutions has finalized an agreement with Premier Purchasing Partners, LP, one of the largest healthcare group purchasing organizations in the United States. Under this agreement, a new category, Aquapheresis™ Therapy Products, has been created for CHF Solutions' products, which are immediately available to the 2,000 hospitals and 53,000-plus other healthcare sites of the Premier Healthcare Alliance.

“We see an exciting strategic alignment between the clinical outcomes achieved with Aquapheresis therapy and Premier’s focus on improving outcomes and reducing costs to treat heart failure patients,” said David Springer, President and Chief Executive Officer of CHF Solutions. “Clinical studies and experience have proven Aquapheresis therapy provides superior clinical outcomes for heart failure patients with fluid overload, while reducing the length of hospital stays and costly readmissions.”

“Our Purchasing Partners sourcing team continually seeks innovative new products for member agreements to accelerate clinical and financial performance,” said Kelly Hofstatter, Clinical Director of Cardiovascular Services for Premier, Inc. “We believe that Aquapheresis therapy can help do just that.”

(more)

CHF Solutions' Aquapheresis therapy is a method to safely and effectively remove the excess salt and water in patients with fluid overload. Currently, Aquapheresis is available at more than 250 leading medical centers and outpatient clinics worldwide. To date, more than 15,000 patients have received this therapy.
